Live Bywater life to the fullest at the Saxony! These condo units have been thoughtfully designed to create a harmony of well-planned spaces and convenient amenities. The impressively spacious living areas offer the ultimate condo lifestyle with a wide selection of condo unit sizes and layouts currently ranging from 839 SF to 1168 SF. Each residence features its own terrace or balcony with spectacular views of the neighborhood or resort-style pool. Residents also have exclusive access to the secure ground floor parking garage accessed via two elevators. The main floor offers a wonderfully appointed community room as well. Other features include an outdoor dog walk area, fitness room, and secure bike storage. The Saxony is surrounded by a rich array of historic sites, one-of-a-kind businesses, unique restaurants, music venues and public spaces. ...
